STUDENT REPRESENTATIVE

Beechboro
Christian School

Rationale

The Beechboro Christian School uniform is about belonging. It is intended to support our sense of community and healthy pride in our School, and to emphasise our character, organisation and commitment to maintaining a level of dignity within the School's dress standards. The way a student wears his/her uniform reflects his/her own self-image and is also a measure of how they regard other people.

Responsibility to be Well Groomed

The proper wearing of School uniform (normal and sport uniform) is compulsory. Parents/ Guardians should ensure that their child's uniform is being worn correctly, freshly laundered and in good repair when they leave home. All uniforms must be clearly labelled (with student's full name) and it is the student's responsibility to care for each piece of attire while at school.

Support of the Beechboro Christian School Uniform Policy is a condition of enrolment.

If a student is out of uniform they should bring a note from home signed by their parent/ guardian to the class teacher. The note should state clearly which item of uniform is unavailable, the reason for this, and the date when the student will be in correct uniform again. Having a note does not necessarily diminish or remove the student's responsibility to be prepared for the school day and have the correct uniform. The remaining items of the school uniform must be worn.

Full winter uniform must be worn on school photo days, unless otherwise notified.

No uniform substitutions are permitted (i.e. other brand socks, leggings in place of pants/ skirt, visible undershirt in place of long-sleeve option)
